Eight children were operated on at the Adenoids and Tonsil Clinic in Keene, N. H.

I had an Infant and Pre-School Clinic, with two doctors in attendance.

First Aid Cabinets have been ordered for the Plain and Monument schools.

I had a class of 10 High school pupils in First Aid, 9 receiving certificates.

I took a course of Instruction in First Aid given by Doctor Hartzell, Washington, D. C., and I received an Instructor's certificate.

I attended the State Teachers Association meeting in Manchester, and the Red Cross Reginal meeting in Manchester.

Red Cross flour, has been given out to the needy and unemployed, also cotton and outing flannel.

Night gowns, pajamas, and children's dresses have been made in the Domestic Arts High school by the pupils for those who can not sew.

I wish to thank the Doctors, Supt. of Schools, Teachers, and the people in town, for their interest and cooperating in my work.

Respectfully,
EVA M. FORTIER, R. N.

HINSDALE BRANCH OF A. R. C.

Report of the Chairman of the Nursing Committee

The committee wish to thank all those who joined the Red Cross and those who donated to the Roll-Call of 1932. They especially thank those who assisted in the drive.

More than 2 tons of flour has been received and many bolts of cotton and flannelette have been distributed besides sweaters and stockings. This has all been a great aid to the town's finances.

Respectfully Submitted,
EVA N. FAY.

The circulation has increased nearly two thousand books this year, giving Hinsdale one of the highest circulations per capita in the state. We have about one thousand listed readers.

The town appropriation was cut ten percent and this amount was made up in part by instituting a rental collection which has proved a very successful experiment. All new books are in the free collection after two months at no cost to the library.

A larger amount than usual was supplied by the Amidon fund this year, making it possible to complete the school reading lists, purchase more magazines, buy two new encyclopedias, one juvenile and one adult, a set of travel books and a two-volume dictionary.

Having a janitor, who is also police officer, has made it much easier to discipline the children, as they haven't been allowed to loiter around the building, and we hope this policy is continued. We are able to keep order inside, but cannot go outside the library.

The librarian has attended a number of meetings in Massachusetts and Vermont and has become a member of the Western Mass. Library club.

It has been decided to have the desk and tables put into good condition and it will be necessary to purchase some new chairs as soon as possible. Each year we become a little more crowded.

Chairman.

HEADMASTER'S REPORT

Hinsdale High School,
Jan. 30, 1933.

Supt. Wesley H. Douglass:

For the school year of 1931-32 I wish to report, that the success of Commencement Week was due to the cooperation of all members of the Student Boby, of the Faculty and of the towns people as a whole. The Glee Club in particular deserves an expression of appreciation.

The Alumnae banquet was a fitting tribute to the loyalty and history of the school. The ladies upon the committee who planned this banquet surely deserve much eredit, as only through their eooperation eould the meeting have been possible.

The installation of the clock in the main room has been appreciated and a time saving of at least five minutes per period for pupil and teachers has been made since the installing of the clock.

The enrollment of September, 1932 is as follows:

Class	Number in class
1933	17
1934	20
1935	30
1936	19
1937	28
1938	43
Total,	157

DEPARTMENTAL HIGH LIGHTS

The Manual Training Department has made medicine cabinets, erected clothes racks and performed many odd jobs around the school building. Many of these jobs would have cost good money if outside labor were hired and it is good practical experience for the boys under a capable leader to do this work.

THE DOMESTIC ARTS DEPARTMENT

This department has served delicious luncheons and held one fine banquet for the Athletic Association. The boys bought the food and the department set up the banquet. A very excellent Christmas party was held for the children of pre-school age.

ENGLISH DEPARTMENT

We were pleased to hear that Margaret O'Connor received the highest mark given in her mid-year English examination at the American International College.

GENERAL NEWS

An average grade of A—was awarded Francis Mannis for his work at the Bentley School of Accounting.

We have had no failures in Mathematics or Science from any of our people.

GRADUATE ACHIEVEMENTS

As the real proof of value of any educational work is shown by the result, we have reason to note the following:

John Meany, 1928, graduated from Holy Cross and is studying medicine at McGill.

We hear fine reports from Rose Golden, 1930, and Meta McCormick, 1931, who are training in the Cooley Dickinson Hospital Training School for nurses.

Geraldine Young 1928, is doing private nursing in Hinsdale.

Laura Rimbold, 1929, is in training in the Pittsfield House of Mercy Nurses Training School.

Jason Sikoski, 1928, is a Senior at New Hampshire State University.

Ora Smith, 1930 and Ernest Gould, 1930, are Juniors at New Hampshire State University.

Miriam Taylor, 1932, and Roland O'Neal, 1932, are Freshmen at New Hampshire State University.

Francis Mannis, 1930, entered the Bentley School of Accounting and Finance.

Ray Thompson, 1931, is a student at Massachusetts State College.

Eleanor Jeffords, 1930, is a Junior at Mount Holyoke College.

Rose Helen Jeffords, 1929, is a Senior at Simmons College.

Margaret O'Connor, 1932, is a Freshmen at the American International College in Springfield, Mass.

These people listed are only a part of our graduates who have had an opportunity to go away to school. The majority of the others have shown that they have the training to become good substantial citizens of their community and are proving this by their every day lives.

Hinsdale can be proud of most of her High School Graduates.

The following is a list of the graduates of the class of 1932:

Bevis, Elna
Bomba, Julia
Buraczynski, Henry
Butler, Florence
Carter, William
Dickerman, Gladys
Dodge, Richard
Evans, Norman

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale:

I have the honor to submit, herewith, my eighth annual report.

Building and grounds: During the summer the usual minor repairs were made in all buildings. At the high school, a Standard Electric Program clock was installed which adds very much to the efficiency of the school by increasing by several minutes the length of each recitation period.

At the Plains School, the old unsanitary privies were replaced with new and properly located chemical toilets.

At the Bridge Street School, in the first grade room, were installed enough new seats to accommodate about half of the pupils. I think that this installation should be completed this year.

It has been suggested to the Board by some parents that the school yard at this building be fenced to protect the children while at play from the hazards of the street traffic. The play ground is entirely too small for a school of this size, but anything looking to the protection of the children from traffic should be given careful consideration.

Half of the windows in the Plains and Monument Schools were equipped with copper screen, thus making the work of the schools pleasanter and less distracting to the pupils in late spring and early fall months.

Teachers and Pupils: There is only one change to be noted in the teaching staff. Miss Margaret Coll was granted a leave of absence for one year to recuperate her health and Miss Carolyn Brunel of Concord, New Hampshire, a graduate of Keene Normal School, 1932, was secured to teach the second grade during Miss Coll's absence.

The recent tabulation, prepared by the State Board of Education showing the per pupil cost of education in all towns and cities of the state, shows that the cost per pupil in Hinsdale for both elementary and high schools is considerably below the average for the state.

Several times I have called attention to the need of a vocational course for boys in our High School. To have a well rounded high school program, such a step is desirable. I mention the matter again simply to remind you of the need.

In considering the budget for 1933-1934 which is to be considered under Article VIII in the warrant, your School Board has kept in mind the need for every possible economy. Last year, the assessment showed a retrenchment of over $1,000. This year a further retrenchment of over $1,200 is indicated, a total retrenchment for the two-year period of over $2,200 or nearly 8 per cent. in the total budget. But, leaving out the statutory requirements over which the Board has no control, the real operating costs have been cut over 10 per cent. With school costs as low as they are in Hinsdale, your Board has been very sensitive to the need for reducing the amount of money recommended for your schools about as much as is possible, without danger of undermining their efficiency and morale.

Again, I wish to express my appreciation to the School Board, to the teachers and pupils, and to the parents and patrons of the schools for their loyalty and co-operation, and trust that the same cordiality and harmony may continue to the end that the training and education of our children may be maintained at a high standard through these confused and chaotic years.

Respectfully submitted,
WESLEY H. DOUGLASS,
Superintendent of Schools.

EDALBERT TEMPLE,
Town Clerk.

A CHILD CANNOT GROW UP TWICE

This is the subject of an article by Dorothy Canfield Fisher in the November number of Good Housekeeping. The following is a quotation:

"The old cry, raised in shipwrecks, earthquakes, fires, 'Women and Children First,' inspired and still inspires to reckless, willing self-sacrifice all but the meanest and most cowardly adults. Yet we are in danger now if we ever were. And if any considerable proportion of our race or nation has shown any sign of reckless self-sacrifice to protect the children of the country from it, at any cost to themselves, I'd like to have somebody tell me. 'Less money' is the modern equivalent of earthquakes, fire, and shipwrecks. Have we made every possible sacrifice in order that children and those who care for them may be the last to feel the prick of less money? I do not need to wait for an answer."

The teachers of America alone can give a permanent answer to the present crisis. But what do the politicians say and do? They try to solve this difficulty by saving expenses. They cut down the salaries of school teachers who dare not protest. They close schools. They drop special teachers. They combine classes. They strike at the one group in the land that could teach the country how to order life by proper organization so that American standards may be maintained and elevated with each generation. They look on education as the Jonah to be sacrificed to the god of the storms. But education is an Isaiah—singing the eternal words of truth—beyond the power of petty men to destroy—beyond the power of any generation to ignore. The hope of America in this crisis is the increased maintenance of education. There is no price too high to pay for education. There is no penalty too great to pay for ignorance.

AARON SAPIRO, Attorney, New York, N. Y.
